A draft answer to the question and a draft memo to the D.P.I calling for the information are submitted for approval.

DP 15.XI.30

~~Evidently a frivolous question~~ Obtained by calling for the information required by the Hon. Member is evidently a humourist!

It is for orders whether the information may be called for as suggested below; perhaps as the conduct of a D.I. Officer is called in question - though frivolously - the information had better be obtained

AO 17/11

73. I do not think we should encourage such frivolous questions. The information need not be called for
